Junior Naturalist Program Expectations

**Please print this form and bring it with you to register at 3201 Plaza del Amo.
Registration closes June 17, 2022**

Student supplies: Small back pack, sunscreen, closed toed shoes, reusable water container, hat with a brim, colored pencils/marker pens and an interest in learning about the natural world. The Nature Center staff and or volunteers are not responsible for the supplies/equipment a student brings. We recommend phones and electronic equipment be left at home unless they are part of the program.

Student Behavior: Arrives with appropriate supplies and is dressed appropriately. Everyone extends courtesy to all participants, cares for their own supplies and Nature Center supplies and equipment. Respects supervision and guidance. Has the ability to independently participate in a group learning project. Completes daily clean-up. Agrees to complete an independent learning project for presentation on Friday

Parents: Drop off students in time for class, pick up students by 3:00.

Instructors: Respect each student through courtesy, provides instruction which include the California Earth and Life Science Standards for 4th and 5th grades and naturalist principles, provides clear directions and offers encouragement. Provides daily supervision from 9:00-3:00 for the week

Terminations: resulting from students' poor and or dangerous behavior, parents' failure to pick up student on time. Student and parent receive a warnings prior to termination. There is no refund for terminations.

Weekly Schedule

Day 1: Exploring the Nature Center, Gardens and Preserve. Introduction to journaling and mindful moments. Learning what it means to be a naturalist. Discussion of independent project: use any media to promote nature; storytelling, puppet show, story, music/song, video, podcast, poem, art. Projects are due Friday.

Day 2: Photographing Nature

Day 3: Birds

Day 4: Insects

Day 5: Buddies with Friday Fun and practice being a junior naturalist. Project presentations. Awarding of certificates to children completing a personal project
