

Wreath Decorating

Saturday, November 29, 2025

10:00 am - 2:00 pm

or until supplies run out

Madrona Marsh Nature Center

3201 Plaza Del Amo, Torrance, CA 90503

Bring your wreath and decorate it in our classroom.

If you have decorations to share, bring those too for a fun afternoon creating a festive holiday wreath.

We will have green wire wreath forms, paper, shape punches, markers, Christmas balls, tinsel, ornaments, garlands, glitter, glue and whatever you bring to share.

This is not a class; it's a get-together to chat and create a wreath for fun.
