

# Madrona Marsh Nature Center Scavenger Hunt

## Torrance Library Summer Reading Program

### Entrance:

Name one of our Red-eared Slider turtles? \_\_\_\_\_

### Lobby:

What are the ages for Friday Fun? \_\_\_\_\_

What were the kids riding when they discovered the Mastodon Jaw and teeth?

\_\_\_\_\_

### Walking Through Time Murals:

Name the first people who lived here. \_\_\_\_\_

Name the animal that's in both the first and last panel. \_\_\_\_\_

### Exhibit Hall:

Name the Fern covering the vernal pools. \_\_\_\_\_

Name the bird with the longest beak. \_\_\_\_\_

### Atrium:

What is swimming in the water? \_\_\_\_\_

What did you find in the drawers? \_\_\_\_\_

### Classroom:

Measure your wingspan. What bird do you match? \_\_\_\_\_

How many bunnies are in the mural? \_\_\_\_\_

Name one of the live insects in a glass tank. \_\_\_\_\_

Now take a walk in the preserve across the street to find some of things you saw in the nature center.

**Take this sheet to the library for summer reading credit.**
